

Special Needs Camp Programs

“There just are no words to express how happy we are with camp. To see our daughter so happy and excited makes us feel really great. Thank you!”

Happy Parent from Session 2

We are proud to offer programs for campers with special needs. We offer a staff to camper ratio of one to two (1:2), so you can rest assured that your child will receive the very best care and attention from specially trained and caring counselors. With flexible age guidelines, universally accessible facilities, and a fully inclusive program, camp is the perfect place for your camper to have an amazing summer experience!
